REQUEST FOR CORRECTED FILING RECEIPT

Sir:

Applicants acknowledge receipt of the Official Filing Receipt in connection with the above-captioned application. Upon review of same, two errors have been noted and correction of same is respectfully requested.

1. The correct order of the first and last names of the Lead Inventor have been reversed. **The first name is "Snezna" and the last name is "Rogelj".**
2. There is a notation on the Filing Receipt that the Domestic Priority data claimed by the Applicant is **"inconsistent with PTO records."** The application is a **Divisional of 09/424,181, which was filed on 11/10/99**, as indicated in the original filing documents. A representative at OIPE's Customer Support Center indicated by telephone that the above date was, indeed, reflected in their database, and the notation regarding an inconsistency was in error and should be removed from the Filing Receipt.

Copies of the relevant sections of the original Application are enclosed herewith. It is respectfully requested that the above two changes be made, and a Corrected Filing

Serial Number 10/002,698

Receipt reflecting the above be sent to the undersigned.

Respectfully submitted,

Mark J. Gutttag

Receipt is acknowledged of this nonprovisional Patent Application. It will be considered in its order and you will be notified as to the results of the examination. Be sure to provide the U.S. APPLICATION NUMBER, FILING DATE, NAME OF APPLICANT, and TITLE OF INVENTION when inquiring about this application. Fees transmitted by check or draft are subject to collection. Please verify the accuracy of the data presented on this receipt. If an error is noted on this Filing Receipt, please write to the Office of Initial Patent Examination's Customer Service Center. Please provide a copy of this Filing Receipt with the changes noted thereon. If you received a "Notice to File Missing Parts" for this application, please submit any corrections to this Filing Receipt with your reply to the Notice. When the USPTO processes the reply to the Notice, the USPTO will generate another Filing Receipt incorporating the requested corrections (if appropriate).
